Plenty of racing' – and tastin'

Press photos by Greg Farrar

A

group of Canadian geese (above) isn't bothered by the roar and choppy water Sunday at Lake Sammamish, as limited hydroplanes, tunnel boats and runabouts spend the afternoon running heats in an American Power Boat Association race, part of the weekend's Tastin' n Racin' Festival. Among the varieties of foods to try, Chole Derrenger, 6, gets a bite of raspberry shortcake from her father, Bryan, as sister Amanda, 3, chews on her mouthful of dessert. More than 20,000 people attended the two-day event, which also included miniature radio-controlled hydros on Saturday, as well as restored historic hydros from the area's racing heyday.
